

Stuart Parks Forensic Associates Presents

Digitally Assisted Composites

Announcing a 40-hour class in digitally assisted composite art.

October 19-23, 2026

Mount Pleasant, SC

Information: This workshop is designed to train individuals in the utilization of the digital drawing program Procreate in conjunction with traditional drawing skills, materials, and previous training in composite art. This offers another, potentially faster, option to create technically-sound drawings to be used in the field of forensic art.

The 40-hour workshop is open to **Certified Composite Artists only. This class applies to the Certified Forensic certificate.**

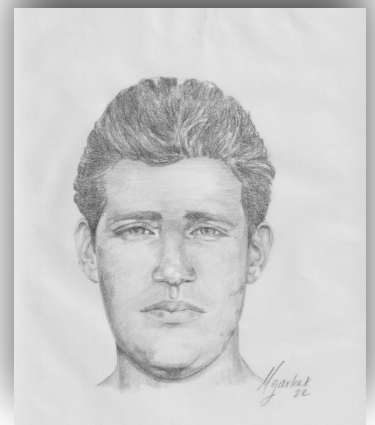

Class size is very limited. Only a maximum of 10 participants may attend. Students will have a dedicated instructor for this class (see below.)

Participants must bring their own iPad with the Procreate app uploaded and an Apple Pencil. Complete list of requirements and supplies attached.

Instructors: Carrie Stuart Parks and Michelle Garlock

Michelle Garlock, CCA, CFA, has been an associate instructor for Stuart Parks Forensic Associates since 2013. She received her BS in Art Therapy from the College of New Rochelle and her Masters in Educational Administration from the State University of New York at Brockport. She has a Certificate of Advanced Studies in Educational Administration from the State University of New York at Brockport. She has studied in Italy and France with award winning artists in the field of decorative painting. She received "Teacher of the Year" from All Women Rock (AWR) of Rochester, NY.

Enrollment information: \$1195. Fee includes workbook, handouts, and some drawing tools and equipment. For more information and to enroll: Carrie Stuart Parks, Stuart Parks Forensic Consultants, P.O.
